

Student-Led Conference Checklist

This is your checklist for our student-led conferences. You may go through the checklist in any order you wish!

Subject	Activity
<p>Math Carpet Games</p>	<p>We have been learning all about area and perimeter.</p> <p>Who can create a shape with the same area and perimeter? How about a shape with a perimeter that is twice as large as the area? Who can create a shape with the largest difference between area and perimeter?</p>
<p>Land Models</p>	<p>We have been busy learning about treaties!</p> <p><u>Questions to consider:</u></p> <p>What treaty were you studying? What did you find interesting? Did anything surprise you?</p>
<p>Shadow Puppet Plays</p>	<p>Check out our Shadow Puppet Plays!</p> <p><u>Questions to consider:</u></p> <p>What was the purpose of your play? What knowledge did you use when creating your play sets? How did your group work as a team?</p>
<p>Teacher Time</p>	<p><i>All done your self-reflection?</i></p> <p>Please find Ms. Hamel for a teacher check-in.</p>
<p>Inukshuk at Night</p>	<p>Have you seen our Inukshuk art hanging in the hallway?</p> <p><u>Questions to consider:</u></p> <p>Why did you paint this particular structure? What was something you enjoyed about this style of art? What did you find challenging?</p>
<p>Self-reflection</p>	<p>Complete the self-reflection on the back of this page together.</p> <p>This is a great time to discuss different learning styles, areas of strength, and areas for growth.</p> <p>Please have the self-reflection completed before Teacher Time.</p>
<p>Volunteer & High Five</p>	<p>Want to learn more about our upcoming field trip and volunteering opportunities?</p> <p>Check out our volunteering and high five station!</p> <p>Give your child a high five about something you have learned, are proud of, or a piece of positivity for your child.</p>
